

Beyond the Classroom Teachers

Position Summary:

Beyond the Classroom (BTC) teachers engage with children through play, homework support, one-on-one and within groups, and love working with children. BTC teachers must also have reliable transportation, complete 12-15 training hours over the course of the academic year and attend BTC staff meetings. BTC teachers serve daily from 2:00 p.m. through 6:00 p.m.

BTC Teachers' responsibilities include the following:

- Actively supervise students.
- Participate in activities.
- Must always be able to account for each student in assigned group.
- Responsible for student safety.
- Assist with planning daily activities for designated group.
- Oversee the implementation of games and activities.
- Ensure appropriate use of the facilities and equipment.
- Clean room each day (wipe tables, pick up toys, etc.)
